

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over 60 years of experience effectively developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to offering new design concepts and top quality in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They like providing items that energize both their dealers and their partners and offer production gains to their clients.

The TREK team of workers likes new challenges and new tasks. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and requirements along with their understanding of cleaning applications, along with owners' strong desire to considerably reduce expense through productivity gains.

When considered necessary, the workers within TREK and its several dealer members in both technical support and parts will be accessible. Among their core values is their high service dedication in their customer service. Keeping their clients' cleaning machinery ready and functioning day by day is top priority. The company's top of the line technology delivers reliable equipment that eventually lessens your cleaning expense. The price, the service and the product all work together to make them an industry leader.
