

Forklift Electrical Parts

Forklift Electrical Parts - Lift trucks as well as various forklifts could have particular labels utilized in certain hazardous locations. The label indicates that this particular model of forklift meets the minimum standards of ANSI/UL 553 meant for electric forklifts or ANSI/UL 558 meant for internal combustion engine forklifts.

Applications for marked forklifts can be found in National Fire Protection Association NFPA 505 - Powered Industrial lift trucks including: Areas of Use, Maintenance and Operation, and Type Designations. Consult your local insurance carrier and Fire Marshall for further info about the approved uses of industrial powered lift trucks in your application.

If the particular lift truck meets the outlined criteria, labels can be put. A labeled lift truck will show the type of designation put on the nameplate and will have a properly corresponding label placed.
